On North Quincy, On North Quincy,
Fight right through that line!
Don't despair, show the colors you wear
And keep on marching, keep on marching.
On North Quincy, On North Quincy
As those Raiders go.
Onward and fight, fight, fight,
North Quincy High!
Rah for North Quincy!
We're here to win!
Onward to victory!
Fight and never give in, Rah, Rah, Rah!
On to the scoreboard!
Never say die!
Onward and fight, fight, fight
North Quincy High!

In Memory Of Marilyn Robbins

In 1988, Marilyn Robbins came to North Quincy High School to teach Child Growth and Development after a long teaching career in Maryland, Broad Meadows, Central, and Quincy High School. Her commitment to children was extensive and included working for 20 years in South Shore Day Care programs. We were privileged to know this dear person and here is how her students feel about her:

Mrs. Robbins was a great person and teacher. She will always be remembered for the great things she's done.

Mrs. Robbins really cared about her students. She always made the best of any situation and she was there when you needed her. She will be dearly missed.
